## GREETINGS FROM YOUR PRESIDENT

Happy Hannukah, Merry Christmas, Happy Kwanza, and Happy 2023 to all of you!! We celebrate the Season of Lights with everyone and with it promote Peace on Earth and Good Will toward everyone. On that note, we wish much happiness to our Past President Ben Tomczak, as he needed to depart his position earlier than planned, which immediately transitioned my position to your new president. Thank you for your service Ben, and stay in touch with us!

We, as the CT Ski Council, have truly accomplished so much this year. We have gradually emerged from the "mandated mask days" of the Covid19 pandemic, and that has given our Council time to reinvigorate itself and put some new initiatives into place alongside previously established programs.

Our monthly CSC meetings have been restored to the Back Nine Tavern on a regular basis. The newly adjusted feature is that the charge we had encumbered for our meetings during the autumn of 2022 has been eliminated! The Back Nine has dropped the fee of \$250. that they charged us so please, kindly support the staff and restaurant by ordering your favorite beverage or meal.

The highly successful CSC Kids' Day Instruction program ran well last January under the leadership of Robert Kot and will once again be held at Mount Southington, this year on February 4, 2023. The highly successful Monday Night Racing program, celebrating its 50<sup>th</sup> Anniversary, will resume as soon as the weather and temperatures cooperate with Connecticut to enable Mount Southington to host us on Hill #5!

New features to our calendar have been the addition of a Spring/Summer picnic in June, and our Online Silent Auction. Both events were new and held on an exploratory basis in 2022. They were a success, so let's continue to build on that

theme! The Picnic in 2023 is scheduled for Saturday, June 24, so SAVE THE DATE!! Our first online Silent Auction was held this autumn and we raised over \$2500. for the Council! We hope that the addition of our Auction will lead to the elimination of the massive Raffle (and duties) that have encumbered our SnowBalls.

Finally, while we needed to refrain from conducting a SnowBall during the pandemic, we strongly anticipate planning and holding a SnowBall on Saturday, November 18, 2023!! This time without the massive, labor-intensive Raffle Room, so as to enable everyone to dance and party all night long! There will be a preliminary planning meeting for the clubs involved in SnowBall 2023 at 6:30 PM on Tuesday, January 10, immediately prior to the regular CSC meeting at the Back Nine Tavern banquet room.

So...fellow snow lovers ...that's a wrap on our 2022 and what's to come in 2023! Vermont and New Hampshire were blessed with approximately 24" of snow in most areas this last week, and our mountains in CT all opened for skiing on December 17. It's time to get outdoors in the fresh air and snow that all of us thrive on. Remember to patronize our CT ski shops and ski areas by showing your ID card with CSC sticker on the back for discounts and benefits. Happy New Year and I look forward to seeing you "On the Snow".

Warmest regards,  
Marsha Baretta

## FROM OUR PAST PRESIDENT

### Dear Fellow Constituents of the Council,

Merry Christmas and happy holidays. I'm writing this address with a sore and inflamed throat, but 'tis the season, after all, and thankfully it's not COVID. I hope you're all keeping well and getting those edges sharpened up.

By now, many of you have already heard that I've resigned my position as CSC President. It's unfortunate, but I've come to accept that I'm at a place in life where personal and work-related demands are simply too intense for me to give the Council the attention it deserves from its chief executive. Although my resignation was effective 12.13, I'd like to use this platform one last time to express my deep gratitude to the CSC and everyone in it.

I'm thankful to have had the opportunity to serve the winter sports community in Connecticut and beyond – not just as President, but as Secretary before that and on various committees besides. These experiences have been so enriching for me. I'm also thankful to have been part of so many evolutions in the structure of the Council – from becoming involved just as the incorporating documents were being overhauled to seeing our organization respond to the collective passes and COVID. It's been amazing to witness the flexibility, diligence, and optimism of our members. And, of course, I'm most thankful for our members and the Board especially. I've met many incredible people and gained a lot of friends. It has always been a highlight of my month seeing all the warm and smiling faces at our meetings, and our events too. I will miss all of you.

That all being said, I do expect that some demands of my time and energy outside the Council will be temporary and I will hope to join you again soon – at least in the capacity of Past President. In the meantime, I leave you all in the extraordinarily capable and seemingly inexhaustible care of Marsha Baretta, our recent Vice President. I hope you'll all take care and enjoy the season before us. And I will, of course, remain your brother in Winter.

Thank you for everything.  
**Ben**

## SnowBall 2023

There will be a brief but important preliminary planning meeting for the ski clubs which are in rotation for SnowBall 2023. The meeting will be held on Tuesday, Jan. 10, 2023 at 6:30 PM immediately prior to the regular monthly CSC meeting at the Back Nine. The following clubs need to have a representative present at that meeting: AE, Cast, Central CT Snowsnakes, Hamilton, Mt. Laurel, Newington, Norwalk, Nutmeg, Powder Pigs, Old Saybrook, and Sterling.

Marsha Baretta

## Spring Picnic 2023

Spring Picnic 2023 will take place on June 24, 2023 at Falcon Field in New Britain, as it did last year. More to come.

Dave Zuraw  
CSC Ambassador  
[dscwebmaster@yahoo.com](mailto:dscwebmaster@yahoo.com)

### Please Note:

There will NOT be an OnSnow Winter Carnival this season.

## MONDAY NIGHT RACE SERIES

Monday night schedule:

**8-week race series: race dates:** Dec. 19 and 26 (both cancelled); Jan. 2, 9, 16, 23, 30; Feb. 6, and the make-up dates of Feb. 13 and 20 will be used. The first two races were cancelled, our series is now at the maximum of 8 weeks, we will use our make-up dates. Any more cancellations will reduce the total number in the 8-week series. We hope for cold temps and snowmaking for our next scheduled Monday night. A reminder, we will use AdminSports for racer registration and lift tickets. **No exception.** This year the deadline for registration has been extended to Monday noon of race day. If a racer is on the fence due to work or weather – this will help the CSC and the mountain make sure all have registered with AdminSports.

This is the 50<sup>th</sup> year for our Monday night series. We will have CSC Monday racing shirts that will be handed out to any racer who has raced four nights or more, as well as prizes each and every Monday night. Pizza will be available from the outside pizza truck – refer to the CSC racing web page to see the contact to order pizza in advance.

For new racers, please make sure your club guides you through the AdminSports registration process. Do not sign up too far in advance, as it makes it difficult for us to do any corrections or adjustments – and we want you to be happy!

Bibs will be handed out the first night at Mount Southington when a racer races. Racers will be responsible to bring their bib each week. We will assign the bib numbers and as in the past, each week we will pull a lottery number to determine who runs down the courses first. Each week will be the same bib sequence order, varied by the lottery number pulled for the first racer. **NEW this year:** the 2 oldest classes in both men and women are entitled to run before all others. This is Men N (73-77), Men O (78+) and Women H (69-75), Women I (76+ .) There were only 12 racers in this category last year, so it should be a minimum delay. Bibs 1-199 will be men 64 and under on skiers left course; and bibs 200--399 (skiers right course) will be men 65 and over, women and snowboarders.

**A reminder:** Racers **MUST** turn in their bibs at the end of the season, or on their last race night. Your club will be charged \$30 if your bib is lost or not turned in.

The lodge is open for us this year. You do not have to put on your boots in your car – you still can, but you don't have to.

I hope everybody has a great holiday – and wish for snow, or at least cold in the upcoming year.

## OFFICER VACANCY

The position of Vice President is currently vacant and the CSC is in need of someone to step into that leadership role. We expect to install a new Vice president during the January 10, 2023 meeting.
